2010 PRENEED FUNERAL TRUST FUND DECLARATION OF NON-REPORTING STATUS

Instructions

Business and Professions Code Section 7746 requires all funeral establishments that are exempt from filing an annual preneed trust report (form 21P-4A) or whose preneed trust funds are reported in a combined preneed trust report to annually file a Declaration Of Non-Reporting Status (form 02NR). The declaration must be **filed by May 1, 2011** and upon the transfer of ownership or the cessation of business. **Failure to file the declaration may result in disciplinary action.** Title 16 of the California Code of Regulations Section 1277 defines a preneed arrangement as “written instruction regarding goods or services or both goods and services for final disposition of human remains when the goods or services are not provided until the time of death, and may be either unfunded or paid for in advance of need”. If you have preneed funeral arrangements and are not exempt or do not have your funeral preneed trust reported in a combined preneed trust report, you must file form 21P-4A.

For funeral establishments filing their “**Final Report**”, they must file check the box for “Final Report” and report the normal start of the accounting period, but indicate the last date the funeral establishment operated.

Note: When a funeral establishment ceases to operate and/or is unable to perform the services, the trust funds must be returned to the beneficiary, trustor or the legal representative of either the beneficiary or trustor. If the appropriate individual can not be located to refund the trust funds, then the funds must be escheated to the California State Controllers Office. The only funds that can be retained are for those contracts in which the trustor and beneficiary designate a new funeral establishment to provide the services and retain the services of the trustee.

Title 16 California Code of Regulations Section 1274 states that if, for any reason, a licensed funeral establishment or licensed funeral director is unable to perform the funeral services prior to or upon the death of the beneficiary of a preneed trust agreement, then the trustees shall pay all trust corpus and net income to the beneficiary, trustor or the legal representative of either the beneficiary or trustor without the imposition of any revocation charge.
