# 2021 PRENEED FUNERAL TRUST FUND DECLARATION OF NON-REPORTING STATUS

## Instructions

Business and Professions Code (BPC) section 7746 requires all funeral establishments that are exempt from filing an annual preneed trust report (form 21P-4A), or whose preneed trust funds are reported in a combined preneed trust report, to annually file a Declaration of Non-Reporting Status (Declaration) (form 02NR). The Declaration must be **filed by May 1, 2022** and upon the transfer of ownership or the cessation of business. CCR Section 1277 defines a preneed arrangement as “written instruction regarding goods or services or both goods and services for final disposition of human remains when the goods or services are not provided until the time of death, and may be either unfunded or paid for in advance of need”.

For funeral establishments filing their final report, you must check the box for “Final Report” and report the normal start of the accounting period, but indicate the last date the funeral establishment operated.

CCR Section 1274 states that if, for any reason, a licensed funeral establishment or licensed funeral director is unable to perform the funeral services prior to or upon the death of the beneficiary of a preneed trust agreement, then the trustee shall pay all trust corpus and net income to the beneficiary, trustor, or the legal representative of either the beneficiary or trustor without the imposition of any revocation charge. If the appropriate individual cannot be located to refund the trust funds, then the funds should be escheated to the California State Controller’s Office. At the request of the beneficiary/trustor(consumer), the funds may remain in the trust and the beneficiary/trustor may designate a new funeral establishment to provide the services and retain the services of the trustee.
